THE HERITAGE HOMESTEAD HISTORY

Built in the mid 1800's, Burnham Estate is a grand historic estate surrounded by acres of architecturally designed gardens, and boasts a beautiful fountain and pond amongst its manicured lawns. Settled in the mid 1800's, the Heritage Barn built is still standing on the property and can be explored. The Victorian Homestead, located in Camden, was one of the earliest built on Cawdor Road by the Doust family and is one of many historic houses on Cawdor Rd. The estate remained in the Doust/Wheeler family for over 100 years, when the heritage listed property then received extensive renovations to restore the estate back to its former glory.

The Heritage Homestead features 3 bedrooms for up to 6 guests, a fully functional kitchen and gorgeous interior. Your stay in our Heritage Homestead is inclusive of your venue hire

The Heritage Homestead has a Grooming Lounge and a Bridal Studio so you can both get ready on-site. Opt for a Friday wedding to have a Thursday night accommodation included in your venue hire as well.

Spend your first morning as newlyweds with a coffee by the fountains, a walk through the gardens or a visit to the horses.
