CATERING

Burnham Grove Estate works in conjunction with selected approved caterers. We have selected these caterers based on their shared passion and expertise to ensure the perfect function for you and your guests. We trust this will give you greater flexibility and guaranteed quality when making your choices according to your budget, needs and requirements. You may like to initially discuss your requirements with the venue team, who can provide you with information regarding our approved caterers.

STAFF & UTENSILS

Your chosen caterer will include all crockery, cutlery, glassware, white linen, napery and service staff for your function. Please ensure these items have been included within your quote for you from your selected caterer.

BEVERAGES

The caterer will provide you with both the food and beverage component for your function. As we are not a licensed premise all arrangements of beverages must be made with your caterer prior to your function. Our caterers can offer you beverage packages and are quite flexible. For example, if you would like to supply your own alcohol, they can tailor a package to suit. Please note, normal RSA laws will still apply to all functions.
